

ATTACHMENT 1. AUTHORIZATION AND ELIGIBILITY REQUIREMENTS

✓ Groundwater Management Compliance

Groundwater users in the Modesto, Turlock and Delta-Mendota Groundwater Subbasins include the Cities of Modesto, Turlock, Ceres, Hughson, Patterson, other overlying communities such as Riverbank, Waterford and Oakdale, irrigations districts such as Modesto and Turlock Irrigation Districts, Patterson Irrigation District, and many private groundwater users. The only groundwater user that will receive funding from the proposed grant is the City of Modesto; DPWD does not utilize groundwater. Contact information for the City of Modesto is provided below.

City of Modesto: Will Wong, Engineering Services Manager – Utilities Department, 209-581-5801, wwong@modestogov.com

The projects in this application will either directly or indirectly benefit groundwater levels and/or quality by directly capturing and percolating stormwater runoff, providing for biofiltration prior to percolation, and by offsetting groundwater use through water demand reduction and development of a new water supply. The Modesto Area 2 Stormwater to Sanitary Sewer Cross-Connection Removal Project will directly benefit groundwater elevations quality by capturing and percolating stormwater runoff into the groundwater basin, and will directly benefit groundwater quality by providing for soil aquifer treatment through biofiltration as water percolates to groundwater. The City of Modesto is the primary groundwater user in the project area.

The North Valley Regional Recycled Water Program will indirectly benefit groundwater by offsetting groundwater use for agricultural irrigation and by providing a new water supply for local irrigation. Copies of the Groundwater Management Plan Certifications are included in Appendix 1.8.

**Appendix 1.8 – Groundwater Management Plan Compliance
Certifications**

California Department of Water Resources
Integrated Regional Water Management Grant Programs

**CERTIFICATION FOR GROUNDWATER MANAGEMENT PLAN COMPLIANCE
FOR THE
PROPOSITION 84, IMPLEMENTATION
GRANT PROGRAM**

Grant Program: Proposition 84, Implementation
IRWM Region: East Stanislaus IRWM Region
Agency name: City of Modesto
Project Title (as shown on application form): North Valley Regional Recycled Water Project

Please check one of the boxes below and sign and date this form.

- ☐ As the authorized representative for the agency, I certify under penalty of perjury under the laws of the State of California, that the agency has prepared and implemented a GWMP in compliance with CWC §10753.7.
- ☒ As the authorized representative for the agency, I certify under penalty of perjury under the laws of the State of California, that the agency participates or consents to be subjected to an existing GWMP, basin-wide management plan, or other IRWM program or plan that meets the requirements of CWC §10753.7(a).
- ☐ As the authorized representative for the agency, I certify under penalty of perjury under the laws of the State of California that the agency conforms to the requirements of an adjudication of water rights in the subject groundwater basin.
- ☐ As the authorized representative for the agency, I certify under penalty of perjury under the laws of the State of California, that my project is located in a low or very low priority groundwater basin (as defined by CASGEM) and the agency consents to be subjected to a GWMP that will meet the requirements of CWC §10753.7 and be completed within 1-year of the grant application submittal date.

I understand that the Department of Water Resources will rely on this signed certification in order to approve funding and that false and/or inaccurate representations in this Certification may result in loss of all funds awarded to the applicant for its project. Additionally, for the aforementioned reasons, the Department of Water Resources may withhold disbursement of project funds, and/or pursue any other applicable legal remedy.
